8:110 Public Suggestions and Complaints

The Board is interested in receiving suggestions and complaints from members of the community. A member of the public should follow the chain of authority when bringing a matter of concern before the District, by first contacting the Building Principal. If the issue is not resolved, the matter then can be appealed to the Superintendent, and finally, the Board.

A parent/guardian with a particular concern regarding a student, should first contact the teacher, before taking the matter to a higher administrative officer or the Board.

An individual who is not satisfied after following the channels of authority, may file a grievance under the Uniform Grievance Procedure. This policy shall not be construed to create an independent right to a hearing before the Board.
